## Explanation about ordering spare parts

Pictures shall be regarded as symbolic rather than binding.

We reserve the right of possible changes.

## Designations:

1. Left
2. Right
3. Front
4. Back

should be understood in the sense of the driving direction.

Diverted spare parts are only available in the applicable repair kit.

Spare parts depending on height, for example corner stanchions or intermediate profiles, can only

be ordered with the applicable **production order number**.

# Explosion view of MEGA top with front wall II / IV and rear door III, 37 stanchion and 50 stanchion

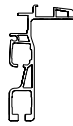

For the through-loading trailer the same spare parts are needed as for rear door mounting. But in this case the guide carriage front side is needed (see page 6).
